PRODUCT SPECIFICATIONS

Sports Utility Bench

Code: ADBE-10341

MRP : 15999.00

Made with a study steel frame and 5 levels of incline adjustment, the adidas Sports Utility Bench is as versatile as it is robust. The thick foam padding provides comfort and protection whilst the tapered back pad allows for a full range of motion, especially when pressing. Foam ankle supports and rubberised feet enhance stability, whilst transportation wheels allow you to manoeuvre the bench with ease.
