Sports Utility Bench-Squat Rack

Code: ADBE-10345

MRP : 28399.00

The thick foam padding provides comfort and protection whilst the tapered back pad allows for a full range of motion, especially when pressing. Equipped with an adjustable rack and plate storage, the Sports Utility Bench & Rack can be used with or without the bench for both upper and lower body workouts. Foam ankle supports and rubberised feet enhance stability, whilst transportation wheels allow you to manoeuvre the bench with ease.
