Code: ADSK 10001GR

MRP : 1389.00

Whether mastering your flow in yoga, powering through Pilates, or taking on a challenging HIIT session, adidas Studio Socks deliver the grip, comfort, and protection you need. Crafted from a soft, elasticated cotton blend, the socks' plush feel and varying knit patterns provide a snug, ergonomic fit that supports every step. With thicker padding placed in key zones to ensure cushioned comfort where it matters most, the socks also feature silicone tread across each sole to keep you grounded for non-slip performance. Designed for the demands of the studio, the socks offer full coverage for superior hygiene in communal spaces while their inner silicone lining around the Achilles prevents slippage, keeping them securely in place so you can focus on your workout without distractions. Enhance grip and comfort during your sessions. Full coverage for greater protection and hygiene in all environments. Ideal for all activities, including studio workouts, Yoga, Pilates, and dance. Quality elasticated cotton blend offers a softer feel. Thicker padded knit in key contact zones for optimal cushioning. Varying knit patterns provide a snug ergonomic fit. Silicone tread across the soles delivers non-slip performance. Inner silicone lining around the Achilles helps prevent slipping. Extended back tabs make the socks easy to pull on and off. Available in sizes S/M, M/L & L/XL.
