ADST 13000BK Lifting Straps - B/W

Code: ADST 13000BK

MRP : 2089.00

Unlock your strength potential with the adidas Lifting Straps. Engineered to create and maintain a stronger grip, the Lifting Straps allow you to push through your toughest sets with precision and power. Designed to reduce grip fatigue, the Straps allow you to unlock extra reps and hit new PRs while staying focused on your form. Perfect for heavy pull movements like deadlifts, rows, and pull-ups, the Straps' printed traction lines provide extra grip security ensuring greater consistency to make every rep count. Crafted from a highly durable material blend and featuring 5 mm thick foam wrist padding, the adidas Lifting Straps deliver the comfort and confidence you need to go further every time.
