ADST 13200BK Wrist Wraps - B/W

Code: ADST 13200BK

MRP : 2089.00

Engineered to stabilise and reinforce your wrists, the adidas Wrist Wraps are your key to stronger and more effective lifts. Perfect for all types of strength training, the Wraps reduce strain and grip fatigue, empowering you to tackle even the heaviest weights with confidence. Designed to improve your full range of push and pull movements, the durably crafted Wraps are essential for breaking training plateaus. Fitted with secure Velcro fastenings to provide unmoving support, the Wrist Wraps also feature integrated loops to make wrapping seamlessly easy. Made from a soft yet hardwearing elasticated material blend, adidas Wrist Wraps deliver total comfort and enduring performance with every lift.
