PRODUCT SPECIFICATIONS

MANTRA Control

Code: 32214

MRP : 2600.00

The perfect rubber for those who want to start gluing their own bats. Sponge hardness of 45 degrees for increased feel and control in every shot. Long life thanks to the combination of natural and synthetic rubber. Helps in developing control and spin techniques. Lightweight in comparison to other rubbers on the market. ? Designed in Sweden and manufactured in Japan.
