ADAC-11404BK-NL AB Wheel - Black

Code: ADAC-11404BK-NL

MRP : 1999.00

Designed to develop total core strength, the adidas Ab Wheel is a great addition to traditional core training. Allowing you to perform rollouts, the Wheel engages the entire core to develop both your stability and strength in one dynamic movement. With a durable PP material construction, the Ab Wheel also features a TPR rubber tyre inspired grip for greater traction and a safer rolling exercise. Also fitted with densely padded NBR foam handles, the Wheel delivers a more comfortable and stronger grip. Packed in 100% recyclable and plastic-free packaging
