STIGA Sports Shirt Pro has been developed and designed by racket sports players for racket sports players, with a focus on performance and durability. With more than 75 years of experience in racket sports, we have developed a sports T-shirt that is suitable for all types of racket sports, including table tennis, padel, tennis, badminton and pickleball. The top has short sleeves and is perfect for both matches and training, especially high-intensity activity, as the mesh fabric lets out excess heat, keeping the body cool. The shirt's super lightweight poly mesh stretch fabric follows the body's movements to a T, and is also quick drying. We call this optimal air flow, which gives you all the conditions you need to take your game to the next level. The regular fit T-shirt features STIGA Sports' new racket sports logo in reflective print on the chest. The reflective logo is also sublimated in the fabric on the shoulder and at the back.
