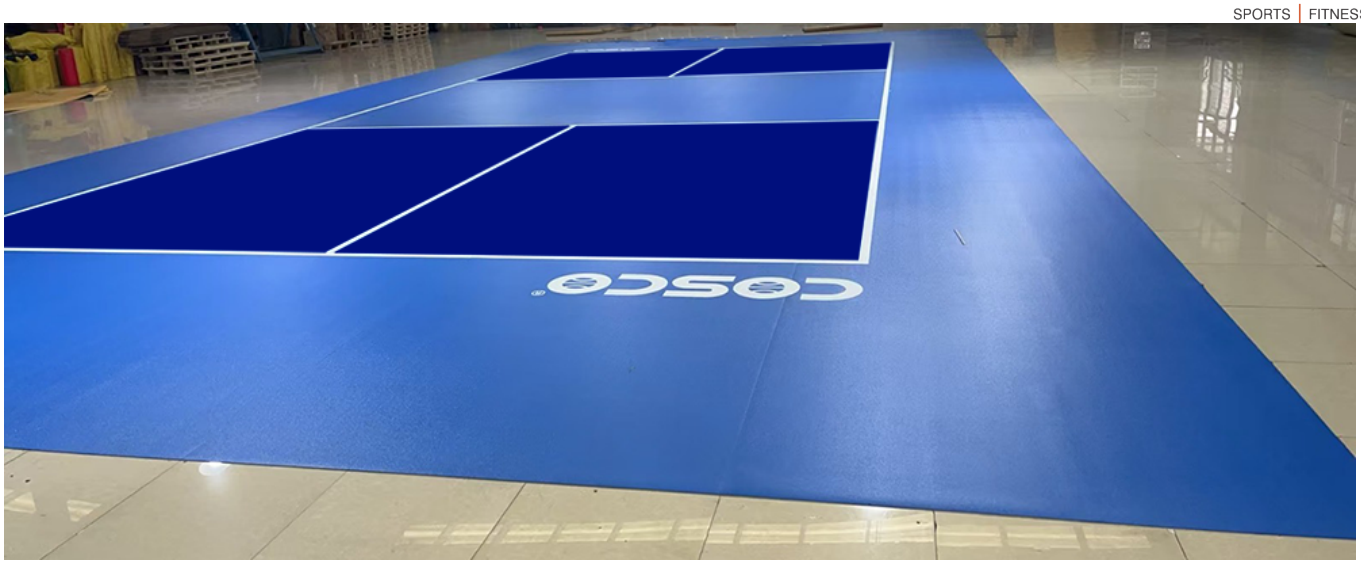
Pickleball Court - INDOOR

Code: 40004

MRP : 550000.00


INDOOR pickleball courts: PVC sports floor rolls with composite technology are the perfect choice for indoor pickleball courts, offering a range of benefits that cater to the specific needs of the sport. The builtin factory molding of the PVC sports floor ensures a seamless and durable surface that can withstand the constant movement, ball bouncing, and player footwork typical of pickleball. The non-slip and stain-resistant properties of the PVC sports floor further enhance player safety by reducing the risk of slips and falls while also making maintenance a breeze. Moreover, the PVC sports floor's beautiful design options allow indoor pickleball courts to be customized to match any aesthetic preference, creating a visually appealing and inviting space for players and spectators alike. Blue Colour, 3mm Pvc with Glass Fiber, 5 Roll Per Court, Court Dim : 18x9m. Excellent Weather Resistance, Anti-Slip.
