PRODUCT SPECIFICATIONS

SERIE + COURT

Code: 11015

MRP : 750.00

ITF Approved, Pressurised Balls Packed in a Petcan of 3 Balls. The Tretorn Serie+ Tennis Balls feature extra durability on all court surfaces provided by a special mix of wool, cotton and synthetic fibres. Serie+ balls are the first tennis balls in the world with a unique TRI-TEC sealing membrane, which is used to retain air and keep balls pressure significantly longer than any conventional pressurised ball. Official Ball of ATP World Tour and ATP Challenger Tour.
