ADSU 13371-NL Universal Support Wrap-Short

Code: ADSU 13371-NL

MRP : 1219.00

Bringing more support and stability to your wrist, the Universal Support Wrap allows you to move freely when you're not at your best. Designed for performance in both training and competition, the Wrap is ideal for all sports and training styles; strategically bolstering your wrist with minimal impact to the range or comfort of your movement. Made from an elasticated material blend with a thick rubber tab, the Short Wrap's hardwearing construction stands up to intense workouts for lasting support. The thumb loop attachment and strong Velcro fastening ensure the Wrap stays put throughout more energetic sessions for greater comfort and reduced irritation. A one-size design, the Universal Wrap's elasticated structure and 49 cm length allow you to tailor the support and fit to suit any size.
