

# PRODUCT SPECIFICATIONS

*Spike Volley*

Code: 15016

MRP : 1180.00

The ball has a durable and abrasion-free top layer made from soft-touch P.U. The core is wound with high strength reinforced fabric which ensures better playability and maintains superior aerodynamics. The ball has true flight characteristics and maintains its spherical shape all throughout. It consists of 18 panels and is suitable for match play.
