

PRODUCT SPECIFICATIONS

A4.0 Bike

Code: RVAR-10401SL

MRP : 46999.00

Fitted with a 6 kg flywheel, the A4.0 Bike delivers a smooth rotation for solid performance and minimal joint impact. Equipped with a 5.5" LCD screen, the bike relays live training data with integrated hand pulse sensors to monitor your heart rate mid-ride. Fit for both steady pace and endurance workouts, the bike is built for all abilities; adapting to your preference with a dual-adjustable comfort padded saddle. Allowing you to train without mains power, the A4.0 Bike offers eight manual resistance levels for challenging home cardio.
