

PRODUCT SPECIFICATIONS

CA 615 Precision Chest Press

Code: 45126

MRP : 224200.00

The Precision Chest Press is engineered to deliver a superior upper body workout with enhanced stability and precision. Featuring an innovative linkage drive system and a horizontal fixed track, this machine ensures a smooth and consistent press movement. The straight-line motion maintains optimal elbow and shoulder alignment, providing a stable exercise experience and excellent muscle engagement.
