

PRODUCT SPECIFICATIONS

CA 617 Standing T-Bar Row
Code: 45128

MRP : 97700.00

The Standing T-Bar Row is designed to deliver a powerful and effective back workout, targeting key muscle groups with precision and versatility. Featuring angled foot platform, this machine ensures a stable and secure base for intense rowing exercises. The adjustable handle width allows for customized training, while each handle offers three distinct grip options, enabling you to target different muscles with varying intensities. The angled work arm is specifically engineered to provide maximum resistance, ensuring that each rep counts.
