CJN 3018 Rotary Torso
Code: 44574

MRP : 117800.00

Rotary Torso is a powerful and comfortable device that provides users with an effective way to strengthen the core and back muscles. The kneeling position design is adopted, which can stretch the hip flexors while reducing the pressure on the lower back as much as possible. The uniquely designed knee pads ensure the stability and comfort of use and provide protection for multi-posture training.
