## FORCE USA ULTIMATE TRAINING BUMPER PLATES 20 KG

Complete your home gym with Force USA's Ultimate Training Bumper Plates and take your workouts to the level you've always desired. Whether you're an experienced athlete or a novice fitness enthusiast, this range of Force USA products will be the envy of your gym.

The Training Bumper Plates, crafted from the highest quality material, durable and precise, are available in 5 different weights (5 kg, 10 kg, 15 kg, 20 kg, and 25 kg). With a diameter of 450mm and a 50.4mm insert across the entire range, and designed with IWF standards, the Training Bumper range is the perfect complement to your bars.

\*Ultimate Training Bumper Plates are sold individually\*.
